

DECLARATION OF INCORPORATION

Hydraulic Projects Ltd declare that the Partly Completed Machinery:

Hy-ProDrive PR+ Reversing Gear Pumps
Hy-Pro Hydraulic Control Valves (all sizes and types)

have been designed and manufactured following the relevant essential requirements of the Machinery Directive 2006/42/EC and that the technical documentation has been compiled in accordance with part B of Annex VII of the Machinery Directive 2006/42/EC.

In addition, we declare that all motors supplied as part of Hy-ProDrive PR+ pumps comply with EN 60945:2002 as per the EMC Directive 2004/108/EC

We will transmit by email, in response to a reasoned request by the national authorities relevant information on the partly completed machinery. This shall be without prejudice to the intellectual property rights of Hydraulic Projects Ltd.

This partly completed machinery must not be put into service until the final machinery into which it is to be incorporated has been declared in conformity with the provisions of this Directive, where appropriate.

Please note that the Machinery Directive does not apply to equipment to be used on vessels which could be sea-going (including recreational craft). Please refer to our Declaration Of Conformity for individual Hy-ProDrive products before fitting to such vessels.
