## EU Declaration of Conformity of Watercraft Components with the Design and Construction requirements of Directive 2013/53/EU (Recreational Craft)

| Name of watercraft component manufacturer: Hydraulic Projects Limited  |   |  |                 |
|--|---|--|-----------------|
| Address: Dawlish Business Park   |   |  |                 |
| Town: Dawlish  | Post Code: EX7 0NI                        | H Country: UK  |                 |
| Name of authorised representative (if applicable):   |   |  |                 |
| Address:   |   |  |                 |
| Town:  |   |  |                 |
| Module used for design and construction assessment:  | B+C B+D                                   | B+E B+F G H  |                 |
| Name of Notified Body for design and construction as   | ssessment (if applicable): ]              | HPI Verification Services (Ireland) Ltd  |                 |
| Address: HPi Verification Services (Ireland) Ltd   |   |  |                 |
| Town: Cloncross  | Post Code: A85 XN5                        | Country: Ireland   | ID Number: 2810 |
| Notified Body certificate number: <u>HPiVS-iR1247-002-I-01-00</u> Date: 19 / 12 / 2023   |   |  |                 |
| Other Community Directives applied: 2014/30/EU_(Electromagnetic Compatibility Directive)   |   |  |                 |
| DESCRIPTION OF WATERCRAFT COMPONENTS:  |   |  |                 |
| Brand/Model of the watercraft components: ML+40 & HS+40 Hy-Pro Drive range of hydraulic marine steering equipment  |   |  |                 |
| Designation of Annex II component:   | Applicable<br>Essential Requirement       | Harmonised standards applied   |                 |
| ☐ Ignition-protected equipment for petrol engine/tank spaces   | Fire protection (5.6.1)                   | EN ISO 8846:2017 - Electrical devices - Protection against ignition of surrounding flammable gases   |                 |
| Start-in-gear protection devices for outboard engines  | Outboard engine starting (5.1.4)          | EN ISO 11547:1995 - Start-in-gear protection   |                 |
| Steering wheels  | Steering system                           | EN ISO 10592:2017- Small Craft – Hydraulic Steering Systems  |                 |
|  | (5.4.1)                                   |  |                 |
| ☐ Fuel tanks intended for fixed installations  | Fuel tanks<br>(5.2.2)                     | EN ISO 21487:2012 - Permanently installed petrol and diesel fuel tanks   |                 |
| ☐ Fuel hoses   | Fuel system (5.2.1)                       | EN ISO 7840:2013 - Fire-resistant fuel hoses, <i>or</i><br>EN ISO 8469:2013 - Non-fire-resistant fuel hoses <i>(delete as appropriate)</i> |                 |
| Prefabricated hatches  | Openings in hull, deck and superstructure | EN ISO 12216:2002 - Windows, portlights, hatches, deadlights and doors -   |                 |
| Prefabricated port lights  | (3.4)                                     | Strength and watertightness requirements   |                 |
|  |   |  |                 |
| This declaration of conformity is issued under the sole responsibility of the manufacturer. I declare on behalf of the manufacturer that the watercaft component(s) mentioned above fulfils the requirements specified in Article 4 (1) and Annex I of Directive 2013/53/EU. |   |  |                 |
| Name and function: Elaine Slater (Managing Director)  Signature and title:   |   |  |                 |
| (identification of the person empowered to sign on behalf of the manufacturer or his authorised representative) (or an equivalent marking)   |   |  |                 |

Date and place of issue : 04 / 01 / 2024
